

Delta Dental PPO (Point-of-Service) Summary of Dental Plan Benefits For Group# 9253-0002 Michigan Catholic Conference

This Summary of Dental Plan Benefits should be read in conjunction with your Dental Care Certificate. Your Dental Care Certificate will provide you with additional information about your Delta Dental plan, including information about plan exclusions and limitations. The percentages below will be applied to the lesser of the dentist's submitted fee and Delta Dental's allowance for each service. Delta Dental's allowance may vary by the dentist's network participation. PLEASE NOTE - If you choose a Nonparticipating Dentist, you will be responsible for any difference between the amount Delta Dental allows and the amount the Nonparticipating Dentist charges, in addition to any Copayment or Deductible.

Deductible – None.

Waiting Period – Full-time regular employees may enroll within 60 days of becoming eligible, i.e., the first 60 days of employment. An application card must be completed and signed within that 60 days and coverage will be effective the first of the following month. Full-time regular employees may also enroll during the annual open enrollment period. The effective date of coverage will be established by Michigan Catholic Conference.

Eligible People – All regular full-time employees as defined by Michigan Catholic Conference located in Michigan. When a subscriber is eligible as both an employee and a dependent, the subscriber may only enroll in the dental plan as one or the other. The benefits shall not be duplicated nor will they coordinate to the group.

Also eligible are your legal spouse and your children to the end of the month in which they turn 26, including your children who are married, who no longer live with you, who are not your dependents for Federal income tax purposes, and/or who are not permanently disabled.

Unless this is a Section 125 plan, subscribers and their dependents who enroll in the dental plan are required to remain enrolled for a minimum of 12 months. Any subscriber or dependent who drops the dental plan may not re-enroll at a later date. If this is a Section 125 plan, an election may be revoked or changed at any time if the change is the result of a change in family status as defined under Internal Revenue Code Section 125.

Benefits will cease on the last day of the month in which the employee is terminated.

Revising effective January 1, 2012 to Eligible People.
